About this document

This privacy policy sets out the way we process your personal data and we have created this privacy policy to make sure you are aware of how we use your data as a member of our tennis venue.

How we collect your information

We may collect your personal data in a few limited ways, namely:

- Directly from you, when you fill in an application for membership, when you make enquiries on our website, or when you interact with us during your time as a member in various other ways (for example, where you enter a competition, renew your membership, sign up for a course or lessons);
- From someone else who has applied for membership on your behalf (for example a family member or your tennis coach who has provided us with your contact details for that purpose);
- From the LTA (for example, where the LTA passes on your details to us in connection with a complaint or query you have raised about our Venue).

The types of information we collect

We may collect the following types of personal data about you:

- Contact and communications information, including your contact details (including email address(es), telephone numbers and postal address(es) and records of communications and interactions we have had with you);
- Financial information, including bank account details provided through on-line banking or available on cheques;

We may also collect data about your health or medical conditions, where you have volunteered this, for example so that we can cater for you when you attend a Venue social event or a course/camp.

How we use personal data

Personal data provided to us will be used for the purposes set out at the time of collection and, where relevant, in accordance with any preferences you express.

More generally, we will use your personal data for the following purposes:

- Administration of your Venue membership, including:
 - details stored securely on the membership module of the Clubspark database (see below)
 - taking payment of membership fees;
 - affiliation to LTA Tennis to obtain a BTM Membership Number needed for representing the club at matches or playing in competitions;
- Research and statistical analysis about who is playing tennis in our Venue.
- From Summer 2020, collecting data regarding who has been at a venue at a particular day and time to aid in NHS Test and Trace. This process is administered through ClubSpark in conjunction with the Aston Park Tennis Club website with players entering details of members playing when pre-booking courts. Details of attendees could be obtained from the club's ClubSpark administrators.
- Google document Membership form accessible on the club's website used for membership purposes from March 2021. Details from the Google form are inputted and securely stored on the Membership module of the Clubspark database.
- Communication about our Venue activities that we think may be of interest to you;
- Where this is necessary for our legitimate interests (for example in increasing use of our Venue's facilities and participation in the game generally);
- Promoting our Venue and promoting goods and services of selected third parties (for example, operators of coaching courses where you have specifically stated you can be contacted for this purpose).

Your marketing preferences

We will always respect your wishes in respect of what type of communications you want to receive from us and how you want to receive them. We have outlined these in the membership form. There are some communications, however, that we need to send you regardless of your marketing preferences in order for us to fulfil our contractual obligations to you as a member of our Venue. Examples of these essential service communications are:

- Records of transactions, such as payment receipts (as applicable).
- Membership related mailings eg membership renewal reminder, formal meeting notices, venue closure plus access codes for entry to the courts or club pavilions.
- Details of the club's Safeguarding Policy

You are in control of how we communicate with you. You can update your choices and/or your contact details by contacting us at:

- Our employees and volunteers, for the purposes of administering your membership and giving you access to the membership benefits to which you are entitled.
- Our suppliers, currently only coaching providers ([Academy of Tennis](#))
- LTA – to allow members to have BTM numbers and access the privileges of membership plus conferring ability to play in competitive matches.

How long your information is kept

We keep your personal data only for as long as necessary for each purpose we use it. For most membership data, this means we retain it for so long as you have a valid Venue membership and for a period of six years after your last interaction with us (for accounting, tax reporting and record-keeping purposes).
